Concept of the Live Web-Event

Workshop

interesting presentations around the topic of Simulation for ALD – recent developments and state of the art

Discussion

A special Highlight-Topic will be discussed with leading experts during the Simulation Talk.

Market Place

experienced companies will present their offers and products to all needs around

Communication

To overcome the challenge to get in contact, there will be time slots to get in contact with other participants. You can write in chats, via E-mail or use one of the offered Talk Rooms at the Event.

During After Work Discussion there will be time to discuss in a more unformal way.

The screenshot shows a digital booth for EFDS E.V. with the following elements:

- YOUR Logo:** The EFDS logo is positioned at the top left of the booth.
- Your Contact:** Contact information for Dr. Max Mustermann is displayed, including a phone number (+49 1234 5678910) and an email address (mustermann@company.de).
- Your eye-catcher advertisement:** A central image features the text "ALD FOR INDUSTRY" and "Workshop, Tutorial & Industrial Exhibition" over a background of a circuit board and data streams. Below the image, it says "December 1-2, 2021 | Dresden".
- Your individual Meeting Room:** A blue button labeled "Join 'Meeting Room EFDS'" is located below the contact information.
- Present Your Products:** A "Download" section lists three items: "Our Special ALD Produkt [PDF]", "Here we are! [Video]", and "Find more at our website [Link]".
